Note that these rules alone brings you to write any maner of discourse without any more help and for the Simbolicall Characters you need not fear to get them by heart; for do but write them and you have them; For I Affirm) they are so far from burdening, that they teach the art of Memory more exact than the Egyption Hyeroglyphicks — Note that your times of learning be first in morning and the last work at night by which you will retaine it fresh in your Memory and that you learn but a little at one time and that perfectly never more than one houre at a time to write for when you take it by little and little it comes easily; learn to make fine Penns and small Characters you must write constantly by rule never mix long hand with Short, but if at fuft you cannot write all beshure you write Sentences and read them soon after you have writ them, let your book be but 2 inches
